

Lista de Medicamentos de 2019

(Actualizado en febrero 2019)

Esta es una versión de la lista comprensiva de medicamentos. Durante el año pueden ocurrir cambios y las exclusiones del plan pueden anular esta lista. Los diseños de beneficios pueden variar con respecto a la cobertura de medicamentos, límites en cantidad, terapia escalonada, días de suplido y pre-autorizaciones.

Usted puede aprovechar al máximo su plan de beneficios de farmacia y controlar los costos de sus medicamentos recetados si utiliza los Medicamentos Preferidos. Recuerde mostrar esta lista a su doctor para seleccionar los medicamentos más económicos que sean clínicamente adecuados para el tratamiento de su condición o para conservar su salud.

Como utilizar esta guía:

Las categorías terapéuticas aparecen en orden alfabético en MAYUSCULA en los cuadros negros. Las clases terapéuticas en cada categoría están escritas en casillas grises.

Le siguen los tipos de medicamentos en cada clase.

Algunos medicamentos se usan para el tratamiento de más de una condición. Revise las diferentes categorías de su medicamento.

Algunos medicamentos o clases terapéuticas requieren autorización previa antes de que sean cubiertos por su plan. En algunos casos, un límite en la edad o de la cantidad puede ser requerido. Estos medicamentos o clases se indican con una abreviatura:

PA = requiere pre autorización QL= Tiene cantidad limitada ST= requiere de Terapia Escalonada AL= Tiene límite en edad

Comprensión de los copagos por niveles:

Su plan de beneficios de farmacia ofrece diferentes niveles de medicamentos que determinan los copagos:

Primer Nivel: Medicamentos Genéricos – Bioequivalente Preferidos

Segundo Nivel: Medicamentos de Marca Preferidos.

Tercer Nivel: Medicamentos de Marca No Preferidos.

Cuarto Nivel: Medicamentos Especializados Biosimilares o Biotecnológicos Preferidos

Quinto Nivel: Medicamentos Especializados Biosimilares o Biotecnológicos No Preferidos

Nota: Los anticonceptivos genéricos y aquellos productos de marca que no tienen genérico se cubren con cero (\$0) copago. Aquellos anticonceptivos de marca que tienen genérico disponible en el mercado se cubrirán con el copago correspondiente a su beneficio de farmacia. Esto está sujeto a cambio según disponibilidad en el mercado.

Todos los medicamentos incluidos en esta lista de medicamentos preferidos han sido aprobados por la Administración de Drogas y Alimentos (FDA).

Drug Name [Nombre del Medicamento]	Drug Tier [Nivel]	Reference Name [Nombre de Referencia]	Requirements/Limits [Requisitos/Límites]
